MARINE

We're tough job specialists.

We answer the call. We put on our boots. We go to work. It's the only way Pennecon has ever operated. We're not afraid of hard work: where an impossible task exists, we find a way forward. That's how we've built a trusted name for ourselves. We take care of each other, and our clients... and we get the job done.

Solutions for every stage of the project.

Pennecon is an industry leader. We give you integrated solutions, drawing on our diverse portfolio of capabilities: Heavy Civil, Industrial, Services & Maintenance, and Marine.

From breaking new ground to commissioning and ongoing site maintenance, we deliver the best solutions, service, and quality – because we take pride in a job well done. Powered by a team stretching coast to coast across Canada, it's our passion and determination that unites us to deliver results on the most complex infrastructure and megaprojects in the world's most challenging environments.

A Snapshot of Our Clients

- Baker Hughes
- Vale
- ExxonMobil
- Newfoundland Power
- Kruger
- Hibernia

- Suncor
- Nalcor
- Irving
- Aker Solutions
- North Atlantic
- Atlantic Towing

- Subsea 7
- OneSubsea
- Technip
- Rio Tinto
- KKC
- Seadrill

- Transocean
- WoodGroup PSN
- WorleyParsons
- Husky
- Algonquin Power
- Manitoba Hydro

HEAVY CIVIL

The bigger the challenge, the deeper we dig.

With over 40 years in the construction industry, Pennecon Heavy Civil's unrivaled reputation is built on hard work, passion, and a can-do attitude. From roadways and bridges to hydroelectric facilities and wind farms, we've worked on some of Canada's most challenging construction projects in the harshest environments.

Capabilities

Hydroelectric

- Concrete and earthfill dams
- Powerhouse excavation, construction
 and refurbishment
- Spillway construction
- Substation construction
- Penstock installation
- Distribution and transmission line development
- General site infrastructure

Wind Energy

- Engineering
- · Site development (roads, etc.)
- Concrete base construction
- Tower and turbine erection
- Substation construction
- Collector installation
- Transmission line development

Mining

Construction of mine and mill sites including civil, electrical and mechanical work

Oil and Gas

- Concrete and steel tank farms
- Piers, quays and docks
- Docking and off-loading facilities
- Processing plants
- Refinery upgrades
- New developments

Transportation and Infrastructure

- Roads, highways, bridges and overpasses
- Ferry terminals
- Airport runways
- Piers and docks
- · Water, sewer systems and treatment plants

INDUSTRIAL

Delivering the best every time, starting with the first time.

Pennecon Industrial has a full portfolio of multi-discipline services, backed by a team committed to quality and exceptional service. With expertise in the areas of steel fabrication, mechanical & electrical construction, and welding, our team sets the bar for industry performance. On every job, our clients and partners can feel sure we are delivering the best value in the industry.

Capabilities

Mechanical and Electrical Construction

- Process piping fabrication and installation
- Heavy lifting and process equipment installation
- · Plate-work including tanks and pressure vessels
- Millwrighting and precision installations
- Structural steel and building envelope
- Industrial electrical
- Instrumentation
- Shutdown/turnaround planning and execution
- · Industrial maintenance and repair
- Architectural and general contracting

Steel Fabrication

- Structural steel
- Platework
- Pipe spool fabrication
- Pressure vessels
- Specialized welding including exotics
- Offshore welding support
- Modules and skids
- Blasting and coatings

SERVICES & MAINTENANCE

Where an impossible task exists, we find a way forward.

Pennecon Services & Maintenance prides itself on innovation, problem-solving, and making things happen. Our experienced team has a long history of working on elite world-class projects, and we're passionate about achieving superior quality, detailed execution, and unmatched results. Whether it's shop or field services, onshore or offshore, we believe in solutions.

Capabilities

- Hydraulic services and systems
- Crane services
- Automations, controls and panel fabrication
- Motor/generator services
- Power systems
- Maintenance services
- Field and offshore services
- Sales and rentals: cranes, winches, hoists, motors and generators

We have what it takes to get the job done.

Pennecon Marine specializes in heavy industrial and logistical services to Newfoundland and Labrador's marine and offshore oil industries. Suited to world-class marine project activity, such as the province's renowned offshore oil projects, our services range from mobilization and discharging cargo to repairs and upgrades of ocean-going vessels and offshore drill rigs. We also have one of the largest warehousing facilities in Atlantic Canada, and offer a full-service heavy laydown warehousing and inspection facility near the capital city of St. John's.

Capabilities

- Closest ice-free, deepwater port to NL's oil fields
- 16 acre marine base
- · Heavy lift quayside and laydown area
- Vessel and drill rig dockside repairs and upgrades
- Drill rig mobilization centre
- Cargo marshalling and stevedoring
- Rigging and marine equipment rentals
- Mooring equipment supply and inspection
- Specialized warehousing and offsite heavy laydown
- Riser inspection, repair and preservation
- Bulk material storage and handling

Our Commitments

We never forget what's really important: safety, the environment, our employees, and our community.

Health, Safety, Environment, and Quality

We've become unmatched industry leaders when it comes to delivering safe, quality, and environmentally sound solutions – because we have the highest standards, even on the most complex projects and in the most challenging places.

Our People

Our team of nearly 2000 dedicated employees is our most important resource so we pride ourselves on our inspiring and rewarding culture where everyone, from skilled professionals to tradespeople to craft workers, is proud to come to work each day – and we couldn't be prouder of them.

Our Community

Pennecon supports our people, communities, and province by giving back to local organizations related to mental health, education, and HSEQ through donations, scholarships, and an organizational mandate to give back 10% of annual profits.

Some of the organizations we support:

- Memorial University of Newfoundland
- Health Care Foundation
- Canadian Mental Health Association
- SPCA
- Janeway Children's Hospital Foundation
