

Dear Exhibitor,

Welcome to the 2024 Canada Gas Exhibition and Conference! I'd like to acknowledge that we will be situated on the unceded traditional territories of the xʷməθkʷəy̓əm (Musqueam), Skwxwú7mesh (Squamish), and səliłwətał (Tseil-Waututh) Nations.

On behalf of dmgevents, our team is proud that energy professionals such as yourself have gathered to exhibit here at the most important internationally focused domestic conversation in a generation on how Canada can support the world's pressing energy needs.

The energy transition remains vital to our progress, but availability, dependability and affordability for consumers remain the top priority.

Our shows would not be successful without exhibitors such as yourself. Thank you for your continued support!

The online Exhibitor Zone has been created to help organize and assist all your needs for the 2024 show with various tools and information that is being updated constantly.

Please ensure the person responsible for the coordination of your stand is given access to the Exhibitor Zone and are fully informed and paying particular attention to the deadlines for each category listed below:

The online exhibitor zone and tools are not designed to replace our personal service. If you require help or assistance at any time, please feel free to contact a member of our Operations Team:
